CHANGES IN TEACHING CORPS

There have been three changes in our teaching corps for the present year. Mr. Laverty having resigned, Mr. Gerald H. Faunce, a graduate of R. I. State College, was elected Headmaster of our high school. Mr. Faunce having had several years' experience in high school work easily adjusted himself to his new position and is carrying on the work very successfully.

Miss Lillian Holt having resigned, Miss Katherine H. Gage, a graduate of Keene Normal, was elected to the position.

Miss Esther Boyden having resigned, Miss Marion G. Brown, a graduate of Keene Normal, was elected teacher of the third grade.

At time of writing, the schools are well organized and are progressing normally. Hearty cooperation of pupils, parents and teachers exists. All schools give promise of a successful year.

In conclusion, I wish to thank the school board, teachers, parents and citizens for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON
Superintendent of Schools.

REPORT OF HEADMASTER OF TROY HIGH SCHOOL

To the Superintendent of Schools:

Due to the resignation of former Headmaster Merton E. Lavery, this report is jointly submitted by Submaster Ivah A. Hackler, reporting on the school activities for the year 1937-1938, and Headmaster Gerald H. Faunce, reporting on the activities of the present school year.

1937-1938 CURRICULUM

The courses offered at Troy High School include all those which may be found in the general curriculum of any standard state approved high school. In addition our curriculum embodies such courses as Junior Business Training, Commercial Law, Salesmanship, Advertising, Business Organization, and Commercial Geography which offer pupils excellent opportunities to prepare for business activities.

ACTIVITIES

Closely allied to the regular courses of study, the school offers a varied program of extra-curricular activities which include boys' and girls' basketball, baseball, dramatics, public speaking, and the publication of a magazine.

During the season of 1937-38, the boys' basketball team consisted of the following members:

Marshall McKew, Capt.	Edward Malila
George Congdon	Gerald Driscoll
Edward Lang	Rudolph Valonen
Reginald Howe	Paul Girouard
Norman Tucker	Robert Caron, Mgr.
Fred Annala	

The team enjoyed a fair season competing with the high school teams of Templeton, Walpole, Charlestown, Marlboro, and East Jaffrey.

The third consecutive year of girls' inter-scholastic basketball

proved very popular and aided in the creation of a fine school spirit. Participants in the sport included:

Bertha Laine, Capt.	Helen Julian
Veronica Venn, Mgr.	Olive Haskins
Viola Silver	Pauline Rocheleau
Claire Parker	Stella Chaput
Phyllis Lang	Lorraine Lajoy
Edwina Atkins	Bertha Kivela
Mary Girouard	Miriam Ojala

Betty Haskell

Through the splendid cooperation and generosity of the various business men of the community, the High School baseball team was properly and adequately equipped with a standard uniform for the first time. We wish to take this opportunity to again express our thanks and appreciation to these men for their genuine interest and financial aid. The uniforms have done much towards fostering a better team spirit and school and community loyalty. The first players to wear these fine uniforms were:

Marshall McKew	Edward Lang
Fred Annala	Reginald Howe
Norman Tucker	Paul Girouard
Gerald Driscoll	Gerard Chaput
Rudolph Valonen	Richard Tucker
George Congdon	Winston Devine

Among the other activities which were held during the year, mention should be made of the play, "Chintz Cottage," which was presented at the Town Hall on February 19th. Helen Koskella, Norman Tucker, Bertha Laine, Betty Rogers, Claire Parker and Dorothy Sprague gave excellent performances before a large and appreciative audience.

Under social activities, the Sophomore class tendered a reception to the Freshmen, and the Junior class invited the Seniors as their guests to an informal reception.

The third issue of the "Trojan," the Troy High School magazine, was edited and published in a most admirable manner by an editorial staff consisting of:

Editor-in-Chief	Helen Koskella
Assistant Editor	Olive Haskins
Business Manager	Winston Devine

ENROLLMENT FOR 1938-1939

	Boys	Girls	Total
Senior Class	2	12	14
Junior Class	4	10	14
Sophomore Class	6	2	8
Freshman Class	8	11	19
	<u>20</u>	<u>35</u>	<u>55</u>

This portion of the report is devoted only to those new features in the organization and administration of the school which have been inaugurated since its opening in September, 1938. Mention of the curricular and extra-curricular activities of the current school year will be made in the report ending January 31, 1939.

For the handling of extra-curricula finances we have invoked the General Treasurer Plan, which embodies the following salient features:

- a. A specially qualified member of the faculty—the General Treasurer (Mr. Ivah Hackler), whose duty it is to collect and give receipts for all money received by any organization of the school, to bank in a single bank account subject only to the joint order of himself and the Headmaster, to disburse the funds by use of double signature (Gen. Treasurer and Headmaster) voucher checks upon the demand of the organization's faculty advisor, and to account for all funds with the use of standard business forms.
- b. Each organization's accounts are kept by the organization's treasurer as well as the Gen. Treasurer and are balanced monthly.
- c. Monthly statements are made by the General Treasurer to each organization and to the School Board.
- d. A periodical publication of the audit of the books of the General Treasurer by the School Board.

To date this plan has proved to be very successful and practical.

Monthly teachers' meetings of a professional character are being held. These meetings are being attended by all teachers in the building, and are proving helpful and instructive to all. Problems related to teaching methods and activities are discussed. "School Discipline," "Failures and Promotions," "The Teacher and the Community," and "The Improvement of Pupil English" are topics which have been used for discussion to date by a very enthusiastic staff.

The members of the High School Student Body have organized, under proper guidance, into a group known as the Student Council. The objectives of this body are: To improve school spirit and morale, to promote healthful school activities, to foster principles of democracy, and to assist in the adjustment of student problems. The Council has started on a splendid career of service and endeavor.

A "tag day," sponsored by the pupils of the school, and generously supported by the citizens of the community resulted in a sum of money more than sufficient for the purchase and installation of a second-hand console-type radio with phonograph attachment. The addition of the radio to the school equipment provided the opportunity to inaugurate a music appreciation course in the Junior High School. This class listens to the Walter Damrosch Music Appreciation Hour every other Friday afternoon. If the high interest and enthusiasm in the program, by these two grades, continues through the remainder of the year, an extension next year into more classes of the school will seem warranted. The radio has also enabled us to bring to various classes outstanding history-making events.

Standard basketball backboards, which have been erected on the school playground, are providing an opportunity for all children to participate before and after school hours and at recess time in healthful outdoor physical activity of a fine type. Rubber playground basket and volley balls have also been provided for all grades of the school through a generous commission given by the Gardner Art Studio for photographic work done for pupils in the building.

Upon application to the National Youth Administration the High School was given an allotment of one hundred and twenty-dollars for the year to assist worthy and needy pupils to continue their high school education. Four of our pupils are taking advantage of this opportunity and are receiving a regular monthly remuneration from the federal government for services rendered the school under the supervision of a teacher.

In conclusion, we wish to thank the Superintendent of Schools, the School Board, the teachers and pupils of the school, and the citizens of Troy for their assistance, cooperation, and support during the year.

Respectfully submitted,

IVAH A. HACKLER, Submaster.

GERALD H. FAUNCE, Headmaster.

REPORT OF SUPERVISOR OF MUSIC

The first special activity of the School Music Department since the Supervisor's report a year ago, was the preparation for and participation in the New Hampshire High School Music Festival held in Claremont in May 1937. Troy High School was represented by Miss Reba Pierce, then a Senior, who was a member of the Festival's first All-State chorus numbering 126 voices. Once a week for several weeks Miss Pierce and three members from Jaffrey High School practised together with the Supervisor, memorizing each selection used in the concert. Leaving on Thursday afternoon with a rehearsal on that evening, the Festival participants returned from Claremont on Saturday afternoon.

The School Board made it possible for the Supervisor to make visits once every week instead of each two weeks beginning September 1937. It seems to the writer that with the shorter interval between visits it has been possible to accomplish more than twice as much. In addition to the outline of work given in a previous report, a Rhythm Band for Grade III has been started,—a Harmonica Band made up of pupils from Grades IV, V, and VI is progressing well,—and classes for instrumental instruction have been formed under the efficient teaching of Mr. Fredyum Henrikson of Keene. The proceeds from a Tag Day made possible the purchase of a radio. Therefore the N. B. C. Music Appreciation Hour broadcasts (Series B) conducted by Dr. Walter Damrosch have been brought to Junior High where much interest has been shown. An exhibit of Music Appreciation Note Books and Scrap Books is being planned in the spring.

The High School Glee Club, Junior High Glee Club, a Boy Soprano group and a few selected girls from the grades, presented a Christmas Concert in the Town Hall. The manner in which teachers and pupils cooperated to make the concert a success was a splendid manifestation of school spirit.

The Supervisor is most grateful to Headmaster Faunce for his fine cooperation and to the other teachers for accomplishments which are certainly the mark of progress, and to the Superintendent and School Board for their fine support.

Respectfully submitted,

MILDRED WHITCOMB

Supervisor of Music.
